Honorary Membership TSV Ringstedt awarded to Peter Baggott

Dear Peter,  
Dear Members of West Farleigh SC, Dear Friends.

We have the great pleasure to honour a very special person today: Mr. Peter Baggott. Peter was the secretary of West Farleigh SC when the contact with TSV Ringstedt was first made in 1988. Peter, who became chairman later, was one of the founders of the „Tour“ that started as a football exchange but turned into a true friendship between two clubs, two villages but most of all the people of Ringstedt and West Farleigh.

In 35 years since „Tour“ started Peter has served the two clubs with enthusiasm putting in a lot of work and time to keep it going. He set high standards and was a key player to make „Tour“ a main event in both of our clubs. More than that he as well as his wife Geraldine and their family became great friends to so many people in Ringstedt. Peter served WFSC and the community perfectly well as an ambassador for English lifestyle, jokes, drinking and not to forget dancing skills. The „Boogie Baggott“ will be unmatched forever.

For his achievement for West Farleigh SC and TSV Ringstedt. For more than three decades of hard work for „Tour“. For his great service as an ambassador between England and Germany. But most of all for all those years of great company, fun and friendship we would like to award Peter Baggott with a lifetime honorary membership of TSV Ringstedt.

On behalf of TSV Ringstedt
